

Built to hire with you.

The operating system for modern hiring.

01

Blueprint

Scope the role with the hiring manager. Spec, must-haves, deal-breakers, one page.

02

Scout

Find the people. 130+ data sources, AI matching, human ranking, no spray-and-pray.

03

Reach

Start the conversation. Personal first touches, multichannel, replies in your inbox.

04

Meet

Book the call. Calendar handoff, briefing pack, hiring manager ready to interview.

FOR

Consultancy. In-house. Founder.

Three teams, one workflow. Built for the way recruitment actually happens.
